

Customized Garden and Tree Care Services - Pha Tad Ke Botanical Garden - 2017

Assessment Visit and Price Quote - 100\$

Visit by our head gardener to discuss and assess your requirements. In this visit an oral proposal will be given with practical advice and the services we can offer you.

If you decide to hire our services, and we bill over 1.000\$ the first year we will deduct this.

Do you need advice on garden and grounds care?

Our head gardener can advise you on the maintenance and needs of your garden, assisted by a senior Lao gardener with extensive knowledge of local flora, horticulture and landscaping.

Garden Maintenance and Consulting – 600\$ (based on 2 days minimum)

We propose consultation and maintenance done by our head gardener, with a senior gardener assisting. In collaboration with your staff this will also be a valuable learning experience.

The consultation can be extended by one or more days: depending on the number of staff and specific needs we will provide a separate quote for this. For your information, the fees are:

Head Gardener or Arborist 150\$; Senior Gardener 50\$, Junior Gardener 25\$.

Do you need professional tree care, trimming or removal?

Our arborist will advise on the maintenance, pruning and removal of trees and with the assistance of our experienced tree technicians will perform yearly maintenance and pruning so that your trees will remain healthy and beautiful and add value to your landscape.

Arborist Services – 1 day 300\$

The fee includes consultation with our senior arborist and job carried out with 1 junior gardener. We guarantee safe, professional work and perfect cleanup supervision. There is an additional charge for disposal of brush and wood from jobsite.

Do your gardeners need professional training?

We provide an intensive two-day training course at Pha Tad Ke for gardeners so they can take better care of your garden and avoid future problems. Basic or advanced level.

Two day training for your gardeners – Basic level 400\$ – Advanced level 500\$

The fee includes 2 days of intensive practical training for your staff (max 5 people) at Pha Tad Ke by 2 of our senior gardeners under the supervision of our head gardener. Includes boat from Ban Xieng Keo to Pha Tad Ke and back, usage of tools & materials and lunch.
